

THE BERNANKE BUMP CD

Open a 60-month Bernanke CD at **3.25%** APY*

When the Fed Funds target rate increases, you can increase your rate two times up to .50% over the original rate!

Ask us how you can earn an even higher interest rate!

Depositor may change the rate to current targeted federal funds rate +3.00% APY* two times during the 60-month life of the Certificate of Deposit (CD) up to a maximum increase of .50% over the original rate. The minimum balance to open a CD is \$1,000. The initial rate is effective 3/1/2010 and is subject to change at any time. A penalty may be imposed for early withdrawal.

*Annual Percentage Yield
